

## **Town of Tabiona Council Meeting & Public Hearing**

**Tabiona Town Hall**

**Tabiona, Utah**

**September 8, 2025**

Those Present: John Breakfield, Terry Hughes, Tanna Lee Strebel, Dalas Jones, Makayla Pippy and Jenny Giles

Also Present: Tim Teto

Mayor John Breakfield called the meeting to order at 6:02 p.m.

**Dalas Jones makes a motion to approve August minutes as written; Tanna Lee Strebel seconds the motion.**

Community center committee was not in attendance. No new updates for the community center.

Drinking water samples are all back in compliance. Tim stated that next would be to see if cross connection is complete and up to date. Bud and Mary McClusky had previously asked if the Town would run some water samples at their home. McClusky's said that this had not been done by Lacey. Tim said he would contact them and get the samples done.

Councilmen Terry Hughes updated the council on Sewer concerns. Terry said that the state requires a flush of the sewer system every 5 years. He presented that Twin D, who did our last flush in 2014, would be in the county doing other systems. He said they would be willing to do it while they are in the area for a cost of approximately \$12640.00. Terry also stated that the state requires the Town to keep record of the flow rates at the sewer ponds. A new flow meter will need to be purchased. Terry Hughes said that he would get a quote but thought it would be around 2500.00 for a new one.

**Dalas Jones makes motion to approve 12640.00 for Twin D to flush the system, Makayla Pippy seconds the motion.**

Financial review and approval of checks.

Meeting called to adjourn at 7:28 p.m.
